A MEDICINE, NOT A DRINK.**High Authority.**

Hop Bitters is not, in any sense, an alcoholic beverage or liquor, and could not be sold, for use, except to persons desirous of obtaining medical bitters.
GREEN B. RAUM.
U. S. Com'r Internal Rev.

Washington, D. C., Sept. 24, 1884.

Dear Sir—Why don't you get a certificate from Col. W. H. W., of Baltimore, showing how he cured himself of drunkenness by the help of Hop Bitters. His is a wonderful case. He is well known in Rochester, N. Y., by all the drinking people there. He is known in this city, Chicago, New Orleans, New York; in fact all over the country, as he has spent thousands of dollars for rum. I honestly believe his card would be worth thousands of dollars to you in this city and Baltimore alone, and make thousands of sober men by inducing the use of your bitters.
J. A. W.

Prejudice Kills.

"Eleven years our daughter suffered on a bed of misery under the care of several of the best physicians, who gave her disease various names but no relief, and now she is restored to us in good health by Hop Bitters, that we had pooled at two years before using it. We earnestly hope and pray that no one else will let their sick suffer as we did, on account of prejudice against so good a medicine as Hop Bitters."—The Parents—Good Templars.

Milton, Del., Feb. 10, 1886.

Having used Hop Bitters, the noted remedy for debility, nervousness, indigestion, etc., I have no hesitation in saying that it is indeed an excellent medicine and recommend it to any one as a truly tonic bitters. Respectfully,
Rev. Mrs. J. H. ELLGOOD.

Scipio, N. Y., Dec. 1, 1884.

I am the pastor of the Baptist church here, and an educated physician. I am not in practice, but am my sole family physician, and advise in chronic cases. Over a year ago I recommended your Hop Bitters to my invalid wife, who has been under medical treatment of Albany's best physicians several years. She has been greatly benefited and still uses the medicine. I believe she will become thoroughly cured of her various complicated diseases by their use. We both recommended them to our friends, many of whom have also been cured of their various ailments by them.
Rev. E. R. WARREN.

Cured of Drinking.

"A young friend of mine was cured of an insatiable thirst for liquor that had so prostrated his system that he was unable to do any business. He was entirely cured by the use of Hop Bitters. It allayed all that burning thirst; took away the appetite for liquor; made his nerves steady; and he has remained a steady and sober man for more than two years, and has no desire to return to his cure, and I know of a number of others that have been cured of drinking by it."—From a leading R. R. official, Chicago, Ill.
